

Five Nights at Freddy's™ Graphic Novel Trilogy

Author: Scott Cawthon

About: This trilogy is a graphic novel adaptation of the famous horror game, Five Nights at Freddy's so I'd recommend this for FNaf fans or horror game fans. The trilogy blurb: "It's been 10 years since the horrific murders at Freddy Fazbear's Pizza that tore the town of Hurricane, Utah, apart. Charlie, whose father owned the pizzeria, reunites with her childhood friends on the anniversary of the tragedy, and together they revisit the pizza place. After entering, they realize things aren't the same. The 4 animatronic mascots hold a dark secret...one that sets Charlie and her friends to unravel the secrets her father - and his twisted partner - left behind."

Protagonist: Charlie Emily. Antagonist: William Afton

Conclusion: I personally loved the books and loved everything the books had. 5 stars from me!
