My Rating =  - (Nine Stars from me)

Overall Summary = A Boy and his granpa enjoy a farm, ^{But the} granpa has a secret... he can't read or write so the Boy teaches him for 3 months... Then by the end of the 3 months he could write a whole story and so he did called **Grandpa's Story!**

My favourite scene is on page 27 when **Joey**

went to war and Joey's owner found him again it is a very wholesome moment

My least favourite scene is on page 46. Because the granpa looks back to his wife that died in a picture than he starts crying.
