

DOG MAN

The Scarlet Shedder

Scarlet Shedder is the 12th book in the Dog Man series and probably in my top 5 faves! And yes, I've read all 12 Dog Man books and I'm absolutely obsessed with them. The last book, Chief and Nurse lady on a date and both really loved it! What do you think happens in this book? They get married! But when they go on their honeymoon, will the supa buddies face the danger themselves? I highly recommend it to comic book fans, (e.g. Bunny vs Monkey, Investigators, Dog Man) comedy and adventure seekers.

I'd rate it :

9/10
