

Class 4 Summer Term Homework Challenges

Here are a variety of homework activities that you can do to support your learning and understanding of our class topic this term. Topics include The Romans for history, Animals in their habitats for science and Settlement in geography.

You can do as many activities as you wish. There will be a homework celebration event on *****, where you can show your home learning to family and friends. There are a wide range of activities to suit all interests, but if you can think of anything you would like to do that is not on this sheet, then please feel free to be creative. House Points will be awarded based on effort.

Maths	Art & DT	History & Digital Literacy	Literacy
Roman Numerals Create a poster explaining how the Romans used numerals and show that you can represent different numbers from 1 to 2000. Can you write the year you were born in Roman Numerals? Can you write the year your mum, dad, granddad, grandma etc. were born in Roman Numerals. Where are Roman numeral used? Can you create some codes to be solved using Roman Numerals.	Make a Roman Shield Use whatever material you wish, such as wood or card. Research the design of Roman shields. Design, make and decorate a shield to look like a Roman soldier's shield.	What do you know about the Romans? Create a Power Point presentation detailing different aspects of Roman life, e.g. entertainment, beliefs, rituals, religion, Gods & Goddesses, the Coliseum, Gladiators, Roman soldiers and centurions, daily life – you choose what interests you most. Make sure your power point is packed with information and has pictures to make it interesting when you present it.	Roman Gods and Goddesses Create a fact file for each of the Roman Gods and Goddesses. What were they powers and what were they responsible for? Present this in any way you wish, but one idea would be to make Top Trumps style cards.
	Extinction Research an animal close to extinction and create a presentation or fact file about it.		Animals in their habitat Choose an animal and create a diorama of the animal in its habitat.
Science Roman Colour Romans dyed fabrics with various naturally occurring pigments, usually made from parts of plants e.g. beetroot, blueberries, red cabbage, saffron, turmeric, spinach. Can you make your own coloured fabrics using natural dyes?	Art & DT Roman Mosaic Create a picture using the Roman idea of Mosaics. You can use small square pieces of different coloured paper to create the design. https://www.chow.com/how_7761919_make-roman-mosaics-kids.html	Food Have a go at making some Roman recipes such as Roman Honey Cake: https://www.cooksinfo.com/roman-honey-cakes-recipe	Settlements Create a map of your settlement – Wotton under Edge – or where you live, giving as much detail as possible to show the different uses of land.
