

# BOOK REPORT!

LOttie  
Brooks)

This book is called Lottie  
Brooks and it's a very fun book.  
I would say it's good for girls from  
8 years old — to 14 year olds. Boys can read  
this book as well but I think it's very  
good for girls it's about a girl called  
Lottie and her embarrassing life  
and you can get lots of other books!

10/10!
